What a special weekend that was. Little did I know that it was meant for me and the aunties. Thank you ladies for blessing me with your time and wisdom. Folks, maybe this year we should purpose to spend more time with our parents and older relatives. You may find them way cooler than they appear. Plus, you'll be the beneficiary of their wisdom.

Julienne Bennett (Author of Aunties)
The aunt in contemporary Anglo-American culture is a deserving though oft-overlooked cultural identity for critical feminist analysis. This article examines selected performances of aunting in contemporary U.S. popular culture to illustrate how the cultural work of aunting articulates both dominant and transgressive constructions of family, care, kinship, and feminine agency.
