MSHeli Protos 500 Kit with Motor, ESC & Blades NIB - RC Groups

The MSH Protos is a very high performance 500-class electric helicopter from Italy, and the Protos is now available in hobby shops and from mail order places in the US at a very reasonable price. One of the places that stock Protos in the USA is ReadyHeli. In addition to reviewing the Protos I will explain the basics of setting up a 120-degree eCCPM (electronic cyclic-collective pitch mixing ...
